11. Additional information^{xvi}

Under the terms of an agreement between Yew Tree Overseas Limited ("**Yew Tree**") and a number of other persons who hold shares in the issuer (the "**Consortium Members**") dated 27 February 2020 (the "**Consortium Agreement**"), the Consortium Members agreed to exercise the voting rights attaching to the shares in the issuer held by them in accordance with Yew Tree's written instructions. For the purposes of DTR 5.2.1(a), Yew Tree therefore indirectly held the voting rights attaching to the shares in the issuer held by the other Consortium Members.

The Consortium Agreement was terminated on 15 April 2020 and the ultimate beneficial owners of each Consortium Member (or, in some cases, the Consortium Members themselves) have instead given undertakings to Lawrence Stroll that they will exercise the voting rights attaching to the shares in the issuer directly or indirectly held by them in accordance with Lawrence Stroll's instructions. Lawrence Stroll therefore continues to indirectly hold the voting rights attaching to the shares in the issuer directly and indirectly held by the other Consortium Members, but, following the termination of the Consortium Agreement, Yew Tree no longer indirectly holds any voting rights attaching to shares in the issuer directly or indirectly held by other Consortium Members.

Securities Services Nominees Limited holds a number of shares in the issuer as nominee for other shareholders in addition to the shares it holds in its capacity as nominee for Yew Tree, hence the discrepancy between the percentages of voting rights held by Securities Services Nominees Limited and Yew Tree in Box 9 above.
