

22 March 2022

Diaceutics PLC

Notice of 2021 Full Year Results

Diaceutics PLC (the "Company" or the "Group"), the diagnostic commercialisation company for precision testing, announces that due to a short delay in the completion of the audit of its results for the year-ended 31 December 2021, these are expected to be released later today.

No changes are expected to the results outlined in the trading update announced on the 11 January 2022.

About Diaceutics

At Diaceutics we believe that every patient should have access to the right treatment at the right time. We provide the world's leading pharmaceutical companies with an end-to-end solution for the launch of precision medicine diagnostics enabled by DXRX - The Diagnostic Network®.

DXRX is the world's first diagnostic commercialisation platform for precision medicine, integrating multiple pipelines of real-world diagnostic testing data from a global network of laboratories.
