About Diaceutics

At Diaceutics we believe that every patient should get the opportunity to receive the right test and the right therapy to positively impact their disease outcome. We provide the world's leading pharmaceutical and life science companies with solutions and technology for the commercialisation of their precision medicines, enabled by our proprietary DXRX platform.

DXRX is the world's first diagnostic commercialisation platform for precision medicine, utilising a global network of affiliate laboratories to deliver multiple pipelines of real-world healthcare data insights, advisory services and innovative platform enabled solutions.
