Notes to editors

Henry Boot is one of the UK's leading land, property development and home building businesses - and we've been transforming land and spaces since 1886. Listed on the London Stock Exchange for nearly 100 years, we're renowned for quality, expertise, delivery and a partnership approach across the group, which comprises Hallam Land, HBD, Stonebridge Homes and Banner Plant. We have developed a responsible business strategy to help us meet our aim of being net zero carbon by 2030.

Operating across the UK, and employing over 400 people, we focus on three key markets: residential, industrial and logistics, and urban development. Hallam Land has facilitated 52,000 new homes since 1990, managing one of the top five largest land portfolios in the country, with the potential to facilitate over 100,000 homes.

HBD manages a development pipeline of £1.4 billion, the equivalent of 7 million sq ft of developments across our key markets, while maintaining a c.£120 million investment portfolio.

Stonebridge Homes, our jointly-owned home building business, manages a land portfolio capable of delivering 1,500 homes, with an ambition to deliver up to 600 new homes a year.

For 65 years, Banner Plant has supplied construction products and services, operating from seven regional depots in the north of England.

From land promotion and property development investment to home building and plant hire, Henry Boot is where great places start.
