No reliance may or should be placed by any person for any purposes whatsoever on the information contained in this announcement or on its completeness, accuracy or fairness. The information in this announcement is subject to change.

The IPO timetable, including the date of Admission, may be influenced by things such as market conditions. There is no guarantee that the Global Offer and Admission will occur and you should not base your financial decisions on the Company's intentions in relation to the Global Offer and Admission at this stage. Acquiring investments to which this announcement relates may expose an investor to a significant risk of losing the entire amount invested. Persons considering making such investments should consult an authorised person specialising in advising on such investments. This announcement does not constitute a recommendation concerning the IPO. The value of Shares can decrease as well as increase. Potential investors should consult a professional adviser as to the suitability of the IPO for the person concerned. Past performance cannot be relied upon as a guide to future performance.

Barclays, who is authorised by the Prudential Regulation Authority (the "**PRA**") and regulated by the FCA and the PRA in the United Kingdom, and Numis and Rothschild, who are each authorised and regulated by the FCA in the United Kingdom, are acting exclusively for the Company and no-one else in connection with the IPO and will not regard any other person (whether or not a recipient of this document) as a client in relation to the IPO and will not be responsible to anyone other than the Company for providing the protections afforded to their respective clients nor for giving advice in relation to the IPO, the contents of this announcement or any transaction, arrangement or other matter referred to herein.

In connection with the IPO, each of the Banks and any of their respective affiliates, acting as investors for their own accounts, may purchase Shares and in that capacity may retain, purchase, sell, offer to sell or otherwise deal for their own accounts in such Shares and other securities of the Company or related investments in connection with the IPO or otherwise. Accordingly, references in the Prospectus to the Shares being issued, offered, acquired, placed or otherwise dealt in should be read as including any issue or offer to, or acquisition, placing or dealing by any of the Banks and any of their respective affiliates acting as investors for their own

accounts. In addition, certain of the Banks or their affiliates may enter into financing arrangements and swaps in connection with which they or their affiliates may from time to time acquire, hold or dispose of Shares. None of the Banks nor any of their respective affiliates intend to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.

None of the Banks, the Adviser or any of their respective directors, officers, employees, advisers, affiliates and / or agents accepts any responsibility or liability whatsoever for or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Company, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith.

In connection with the IPO, Barclays Capital Securities Limited as stabilising manager (the "**Stabilising Manager**"), or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law, over-allot Shares or effect other transactions with a view to supporting the market price of the Shares at a higher level than that which might otherwise prevail in the open market. The Stabilising Manager is not required to enter into such transactions and such transactions may be effected on any stock market, over-the-counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of the commencement of conditional dealings of the Shares on the London Stock Exchange and ending no later than 30 calendar days thereafter. However, there will be no obligation on the Stabilising Manager or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilising measures, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the Shares above the offer price. Save as required by law or regulation, neither the Stabilising Manager nor any of its agents intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the IPO.

In connection with the IPO, the Stabilising Manager may, for stabilisation purposes, over-allot Shares up to a maximum of 9.6% of the total number of Shares comprised in the IPO. For the purposes of allowing the Stabilising Manager to cover short positions resulting from any such over-allotments and/or from sales of Shares effected by it during the stabilisation period, it is expected that an existing shareholder will grant to the Stabilising Manager, on behalf of the Banks, an option (the "**Over-Allotment Option**") pursuant to which the Stabilising Manager may purchase or procure purchasers for additional Shares up to a maximum of 9.6% of the total number of Shares comprised in the IPO (the "**Over-Allotment Shares**") at the offer price. If granted, the Over-Allotment Option will be exercisable in whole or in part, upon notice by the Stabilising Manager, at any time on or before the 30th calendar day after the commencement of conditional trading of the Shares on the London Stock Exchange. Any Over-Allotment Shares made available pursuant to the Over-Allotment Option, including for all dividends and other distributions declared, made or paid on the Shares, will be purchased on the same terms and conditions as the Shares being issued or sold in the Global Offer and will form a single class for all purposes with the other Shares.

Certain figures contained in this announcement, including financial information, have been subject to rounding adjustments. Accordingly, in certain instances, the sum or percentage change of the numbers contained in this announcement may not conform exactly to the total figure given.
