Amino Technologies plc
("Amino" or "the Company")
Transaction in Own Shares

Amino Technologies plc (LSE: AMO), the global provider of digital TV entertainment and cloud solutions to network operators, announces that on 11 August 2017 the Company transferred 603,395 ordinary shares of 1 pence each in the capital of the Company ("Ordinary Shares") out of treasury (the "Transfer") to employees and other participants' of Amino Technologies, LLC (formerly Entone Inc, ("Entone")) pursuant to The Amino Technologies plc Entone Retention Plan, which was established as part of the acquisition of Entone as announced on 12 August 2015.

Following the Transfer, the Company will have 74,872,391 Ordinary Shares in issue. There are now 2,437,023 Ordinary Shares held in treasury. Therefore the total number of voting rights in the Company is 72,435,368. This number may be used by shareholders as the denominator for the calculation by which they may determine if they are required to notify their interest in, or a change in their interest in, the share capital of the Company under the FCA's Disclosure Guidance and Transparency Rules.
