Explanation of Responses:

(1) Represents the vesting of the first tranche of Performance Share Units ("PSUs") granted to the reporting person on August 1, 2023.

(2) Represents shares automatically withheld to satisfy the reporting person's tax liability from the vesting of PSUs previously granted to him.

(3) Of the shares owned directly, 87,932 are restricted stock units (including dividend equivalent rights).

(4) Each Performance Share Unit ("PSU") represents a contingent right to receive one share of common stock. The PSUs vest upon the common stock of CNX Resources achieving certain pre-determined prices per share in three tranches over approximately seven years.

(5) The remaining PSUs have been further reduced by 56,062 target PSUs, which were not earned in the first tranche, and for which the reporting person has no further vesting opportunity.
