Explanation of Responses:

- These shares represent a grant of performance-based restricted stock units (PSUs) at target level performance. The actual number of PSUs that will be achieved is based on the highest average price of the Company's common stock achieved over any 20-day trading period during the measurement period ending March 31, 2029 ("Performance Period"). The number of PSUs earned by the reporting person will not exceed 300% of target. The PSUs will generally vest 50% at the end of the Performance Period and 50% on the one-year anniversary thereof.
- As indicated on the filer's Form 4 originally filed on February 9, 2026, the total number of shares beneficially owned had yet to be determined at the time of filing due to administrative processing. This amount has been determined and is reflected by this amendment thereto.
